### Barbecue-in-the-Park

MonSFFen and their families, as well as friends of the club, are invited to gather at 10:00AM in Parc Maisonneuve on Saturday, July 8, for the club's 2023 Barbecue-in-the-Park! Parc Maisonneuve, easily accessible by Metro or bus, is located in the city's East End, adjacent the Botanical Gardens and the Olympic Stadium. Parking is available on site, or on nearby streets.

Our intention is to claim a picnic spot somewhere along one of the lines of trees, not too far from the parking lot and the chalet. Our "Preferred Picnic Area" is indicated on the map. Look for us in roughly that area.

So do join us for a relaxing day in the park! Friends, fun, food, and fire, the latter in the form of our new "Dragon's Breath" propane barbecue, which we'll have on site for those who may wish to grill up a couple of hamburgers, hotdogs, and such! Bring your own refreshments, snacks, and any meats you may wish to barbecue. And note that proper washroom facilities are located in the chalet.

*Should the weather prove inclement on the 8th, the event will be shifted 24 hours forward to Sunday, July 9. If necessary, we will post a notice on the club's Website of any change in the schedule by no later than 9:00AM, Saturday morning, the 8th.*

No formal programming is planned, just a game or two, and an afternoon of casual conversation with friends on topics SF/F and fannish, including, given this opportunity, a little bit of club business regarding our planned August in-person meeting, and related issues, for which the input of our membership is desired.
