Errata from #1:

I forgot to change the number at the beginning of *Shooting My CUFFs* #2 – in that case you have to go by the date, not the number.

Missing in Action: There are people whose current contact information I don't have - is anyone in contact with Randy Reichardt? Or Allan Lawson, who used to be a contact for Burnaby and Richmond writers' groups?

In This Issue:

I am pleased to say that some people have already ordered fanzines from the CUFF catalog; a revised catalog is included in this newsletter.

Fanzines for Sale! The fanzines listed below range from ditto to letterpress publications, from one page to 20 or more pages, from personalzines to APAzines to genzines. Even the most amateurish or transient publications are a glimpse into another time and place, and the genzines provide thoughtful articles of lasting value. All prices (in Canadian dollars) are my estimations, and can be negotiated. (Add \$2 Cdn. per order for postage and handling)
